REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Hartsville Jr. High School's focus during the 2004-2005 school year was to create an atmosphere that children enjoy and one that makes parents feel welcome.

Our major professional development focus has been on our weekly book talks centered on National Middle School Association publications "This We Believe," and "This We Believe, and Now We Must Act." These book talks have included local 6th grade teachers in preparation for our transition to Hartsville Middle School. We have been able to implement middle school team concepts and prepare for implementation of an advisor/advisee program during the 2005-2006 school year. We sent a team of four to the National Middle School Association Conference in Minneapolis, MN and a 16-member team to the South Carolina Middle School Association Conference in Myrtle Beach, SC.

Our school continued to nurture parent and community support by working hand in hand with the Academic Booster Club/PTO. We held various events in collaboration with the ABC/PTO including our Fall Festival, Spring Expo, and Academic Awards Night. In addition, the ABC/PTO sponsored quarterly celebrations for honor roll students. The Hartsville Police Department worked in conjunction with Hartsville Jr. High School in establishing a Suspension Camp program to provide positive behavioral interventions for students, which contributed to a reduction in the suspension rate. Another program implemented to promote positive behavior this year was the Fox Cup Challenge. Students received weekly points for attendance, attitude, and academics.

Many of our students received honors and recognitions throughout the district and state. Hartsville Jr. High students received the Art in Business award, Lt. Governor's Writing Award, the Keep America Beautiful poster contest. The HJHS band received Superior ratings at Concert Festival and Solo and Ensemble and was honored by the SC Band Director's Association with the Outstanding Performance Award. We had one Duke TIP Scholar and 19 SC Junior Scholars. A Hartsville Jr. High School student had the highest overall score on the PSAT as well as the highest score on the writing portion.

The faculty and staff at Hartsville Junior High have been working very hard to make our school the best that it can be. We are always looking for the effective strategies to improve classroom instruction. We are also very excited about the development of a magnet program for the arts. Hartsville Junior High is prepared to offer our students new classes, new approaches to learning, and the best education possible. With parent and community support, we can achieve any goal that is put before us.
